BOOK OF MORMON STORIES

Traveling to the Promised Land

Jared and his brother lived in a valley with their families and friends. Jesus Christ visited Jared's brother. He told him to build boats to take his people across the ocean to the promised land.

But what about light? The brother of Jared made 16 clear stones. He asked Jesus to touch them with His finger to make them shine.

The people built boats with no windows. Jared's brother worried about how they would breathe and see. Jesus said they should make holes in the boats for air.

The brother of Jared saw Jesus touch each stone with His finger. The stones shone brightly. Because he had so much faith, Jared's brother saw Jesus Christ!

God sent great winds to blow the boats across the ocean. When they reached the promised land, the Jaredites prayed to thank God for protecting them.

We can be like Jared's brother when we trust God and have faith in Jesus Christ. ♦

I CAN BE FAITHFUL!

BOOK OF MORMON HERO

The Brother of Jared Was Faithful

The brother of Jared needed light to cross the ocean. He made 16 small stones and asked Jesus to touch them to make them glow. When Jesus reached out to touch the stones, the brother of Jared saw Jesus's finger. The brother of Jared had so much faith that Jesus showed Himself to him. Jesus told the brother of Jared that no one had ever had so much faith in Him.

Lighting the Way

After Jesus touched the 16 stones, the Jaredites were ready to go by boat to a promised land. The stones filled the boats with light all through the long journey. The winds and waves pushed the boats to the promised land. God kept the Jaredites safe, and they prayed and thanked Him all along the way. You can read this story on page FJ4.
